

Safecure Services Limited

Company Overview

Safecure Services Limited provides services in private security, e-surveillance, facility management, and corporate interior fit-outs across India. Through its wholly owned subsidiary, Safesense Tech Private Limited, it offers monitored intrusion alarm systems and 24/7 real-time monitoring of ATMs and bank branches.

Its services include Security (manned guarding, event management, ATM management, and tech-based security solutions), E-Surveillance, Facility Management and ATM Maintenance (housekeeping and business support), and Corporate Interior Fit-Outs, enabling it to serve as a single point of contact for multiple services.

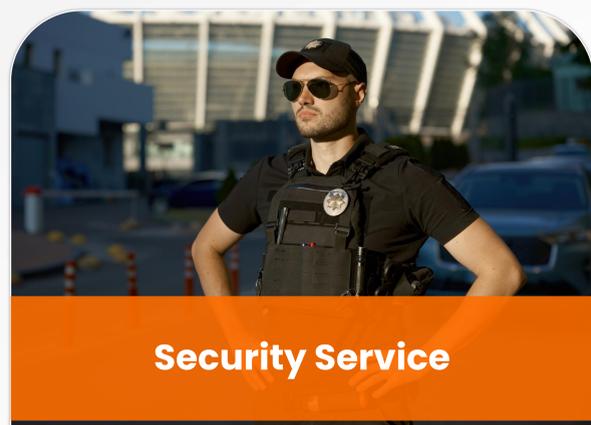

Over the past decade, the Company has expanded nationwide, serving private and public sector clients, financial institutions, and MNCs, supported by standardized recruitment, training, and technology-driven performance tracking.
