Sustainability at Heart, Growth in Action

Aeela Commodities Limited, under the leadership of Chairman Mr. Hozefa Jawadwala, has emerged as a dynamic participant in the cashew processing industry and related value chains. Established in 2018, the Company has rapidly positioned itself as a notable presence in the commodity sector, with a primary focus on processing cashew nuts alongside trading other agri-commodities such as sugar and rice.

Aeela is committed to sustainability and innovation, leveraging by-products from cashew processing to produce biofuels and activated carbon. This integrated approach not only strengthens profitability but also aligns with the growing emphasis on environmental stewardship. The Company has outlined plans for a

significant increase in processing capacity, targeting an expansion from the current 40 metric tonnes per day of raw cashew nuts to 140 metric tonnes per day. This ambitious growth trajectory is supported by robust demand in the market and rising per capita income which factors that are contributing to an estimated annual growth rate of 7-8% in the Indian cashew sector.

With more than five decades of combined experience among its promoters, the management team is well-equipped to navigate the complexities of the industry and to capitalize on emerging opportunities. The successful completion of the Initial Public Offering has provided the Company with the capital necessary to support its expansion plans and drive operational improvements. The proceeds

will be utilized to augment processing capacity, strengthen supply chain infrastructure, and invest in marketing initiatives aimed at capturing a larger share of the market.

Looking ahead, Aeela remains focused on its strategic objectives, which include broadening its product portfolio and enhancing its market presence. The management is optimistic that evolving market dynamics will create further avenues for growth and profitability. In conclusion, the Company is well-positioned to leverage its capabilities and experience to navigate the challenges of the commodity sector. A continued commitment to quality, innovation, and customer satisfaction will underpin its progress in the years to come.

Chairman's Message

Nurturing Sustainability To The Core

Dear Shareholders,

I am honoured to present the 7th Annual Report of Aelea Commodities Limited for the fiscal year 2024-2025, reflecting our team's strong commitment to both growth and discipline, and our success in balancing expansion efforts with robust operational management. Since our inception in 2018, we have been driven by a simple yet powerful vision—to deliver excellence in the global cashew trade. Over the years, we have transformed this vision into a robust enterprise known for quality, innovation, and customer commitment.

BSE SME Listing - A Landmark Achievement:

One of the proudest moments for Aelea came on July 22, 2024, when we were successfully listed on the BSE SME platform. This marked a historic step in our journey from a private enterprise to a publicly listed company. The listing not only enhanced our visibility and governance but also reinforced our long-term vision to build a transparent, scalable, and trusted enterprise.

It was a moment of validation and celebration, not just for the company, but for everyone who has been part of this journey. The public listing aligned our growth story with the expectations of a broader investor base and brought greater accountability to our operations and strategic execution.

Scaling New Heights:

Unit II - Surat Facility Commissioned:

Following the IPO, we successfully commissioned our expanded processing facility in Surat, covering 18,000 square meter. With an installed capacity of 140 metric tonnes per day, this plant represents the next leap in scale and sophistication, powered by automation, quality control, and efficient throughput. The facility was fully commissioned by the end of May 2025, and the ramp-up is currently underway. We expect the plant to reach full operational capacity by the first week of Q2 FY26.

Unit III - Building the Next Phase:

To support our next phase of expansion, we have

Our approach is deliberate, we aim to optimize margins, capital efficiency, and logistical integration over the next three years. Revenue expansion is not our immediate priority; instead, we're focused on building a resilient, value-rich business. All ongoing and planned capital expenditure will be funded entirely through internal accruals, with no immediate plans to raise external capital.

acquired an additional 4,12,164 sq. ft. of industrial land in Vasravi, Surat, which will be instrumental in establishing renewable energy projects of up to 4 MW and expanding capacity for future manufacturing and processing activities. As we continue to strengthen our core operations, this land bank sets the foundation for Unit III, an upcoming addition designed to enhance vertical integration and diversify our clean energy and manufacturing footprint.

Strategic Focus Post-Listing:

Post-listing, our focus shifted firmly toward expansion and forward-looking execution. With the increasing global emphasis on value-added agri-processing, sustainability, and integrated supply chains, Aelea is uniquely positioned to leverage these shifts, particularly in premium B2B segments, exports, private label collaborations, and FMCG tie-ups.

Our strategy has remained focused and consistent: strengthening backward integration by directly sourcing Raw Cashew Nuts (RCNs) from key African origins; scaling up processing and automation capabilities through a world-class, fully integrated facility; and expanding forward integration into high-margin, value-added products across food, fuel, and feed categories, thereby enhancing value capture across the supply chain.

Multi-Phase Strategic Roadmap: 3-Phase Expansion in Motion

Now let's discuss our multi-phase strategic expansion roadmap, which is central to how we plan to unlock greater value across the cashew value chain.

Phase 1 is already complete; we've successfully expanded our cashew processing capacity to 140 metric tonnes per day. This achievement has laid a strong operational foundation, enabling us to handle larger volumes efficiently and paving the way for downstream integration.

Phase 2 focuses on establishing Cashew Nut Shell Liquid based oil production and processing. While We have encountered some delays due to early-stage design adjustments and the impact of monsoon conditions, I want to assure you that construction is set to resume post-monsoon. This phase is a key step in capturing more value in-house by processing shell by-products ourselves, rather than relying on external parties.

Phase 3, which we plan to initiate post FY 26, represents a significant leap in both sustainability and profitability. This phase will enable us to convert Cashew Nut Shell Liquid and De oil Cake (Shell Cake) into value added products. What makes this particularly exciting is our proprietary understanding — unlike traditional processes, we'll be able to directly transform waste into high-value products within our own facility. With land acquisition already completed, The Company believes this will drive meaningful margin expansion and boost our bottom line over the next 2-3 years, while also reinforcing Aelea's position as an innovator in sustainable agri-processing.

Value-Added Product Innovation:

Simultaneously, we are ramping up our Value-Added Products portfolio across the food, fuel, feed, and fertility verticals. We are pioneering innovative vegan products and indulgence alternatives that are dairy-free to address the rising demand among health-conscious and lactose-intolerant consumers.

FY 25 Performance Snapshot & The Path Ahead:

We upheld strong financial discipline and strategic execution, closing the period with ₹182.14 crores in revenue, ₹8.65 crores in EBITDA, and ₹1.16 crore in PAT. These results highlight our operational discipline, effective execution, and the increasing market traction we've gained within a dynamic and often challenging agri-commodity environment.

In conclusion, Aelea Commodities is evolving, not just in size but in strategy, execution, and purpose. We are growing into a more agile, vertically integrated, and future-ready organization, deeply aligned with stakeholder expectations and market dynamics.

Thank you for your continued trust and support. It is your belief in our vision that fuels our ambition every single day.

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Pursuant to Section 102(1) of the Companies Act, 2013 (the Act), the following explanatory statement sets out all material facts relating to the Special Business mentioned at item no. 3 to 11 in the Notice:

ITEM NO. 3:

In terms of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and applicable provisions of the Companies Act, 2013, each as amended, the Company is required to appoint Secretarial Auditor for a period of five years commencing from FY 2025-26, to conduct the Secretarial Audit in accordance with Section 204 of the Companies Act, 2013 and Regulation 24A of the SEBI Listing Regulations, along with applicable SEBI circulars.

To identify a suitable Secretarial Auditor, the Management initiated a comprehensive evaluation process involving detailed discussions with eligible audit firms. These firms were assessed against a defined set of eligibility and evaluation criteria.

As part of the assessment, the Management also reviewed the eligibility of CS. Manish R. Patel, who holds peer reviewed certificate no. 929/2020 issued by the Peer Review Board of the Institute of Company Secretaries of India and having 20 years of extensive experience in corporate laws, governance and compliance, particularly in handling listed companies across sectors.

Further, pursuant to the amended provisions of Regulation 24A of the SEBI Listing Regulations, the appointment of Secretarial Auditors now requires shareholder approval.

The outcome of the assessment was presented and recommended to the Board the appointment of Mr. Manish R. Patel as Secretarial Auditor for a period of five years, to conduct the Secretarial Audit of the Company for the financial years from FY 2025-26 to FY 2029-30.

Mr. Manish R. Patel has provided his consent to act as Secretarial Auditor, and have confirmed that, if appointed, their engagement would be in compliance with Regulation 24A of the SEBI Listing Regulations read with SEBI

Circular No. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024, and other applicable circulars issued in this regard.

Disclosures as required under Regulation 36(5) of the SEBI Listing Regulations:

- a) Proposed fees payable to the Auditor(s): ₹ 1,20,000/- (Rupees One lakh Twenty Thousand Only) for FY 2025-26, exclusive of applicable taxes and reimbursement of out-of-pocket expenses on an actual basis, and exclusive of any other professional services. The Board may consider an annual increment for subsequent years, in consultation with the Secretarial Auditor.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution, except to the extent of their shareholding, if any, in the Company.

The Board of Directors of the Company recommends the ordinary resolution as set out at item no. 3 of the Notice, for the approval of the members.

ITEM NO. 4:

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') read with the Company's Policy on Related Party Transactions provides that entering into material transactions with a related party which, either individually or taken together with previous transaction(s) during a financial year, exceed ₹. 50 Crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements, whichever is lower, requires approval of the Members of the Company.

As the Members are aware, the Company, in order to further its business interests, enters into various transactions with its related party i.e., M/s. Sumita A. Patel, the estimated value of transactions during FY 2025-26 are expected to exceed the aforementioned materiality threshold.

Accordingly, the Board of Directors of the Company ('the Board') at the meeting held on 20th August, 2025, on the recommendation of the Audit Committee, recommended for the approval of the Members, entering into material contracts / arrangements / transactions in the ordinary course of business and on arm's length basis with M/S. Sumita A. Patel, during FY 2025-26, as set out in the respective Resolution.

Details of the existing as well as new material related party transactions with M/S. Sumita A. Patel, including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, are as follows:

Sr. No	Particulars of the information	Details
1.	Name of Related Party	M/S. Sumita A. Patel (Proprietorship firm of Mrs. Sumita Ashok Patel who is Promoter/ Relative of director of the company)

8.	Percentage of ACL's annual consolidated turnover, for the immediately preceding financial year, that is represented by the value of the proposed transaction.	68.72%
9.	Justification of the proposed transactions	The proposed related party transactions are designed to enhance operational efficiency and strategic growth. By engaging in the buying and selling of agricultural commodities, including cashew nuts, with related parties, the company can streamline its supply chain, reduce costs, and ensure consistent access to high-quality materials. Utilizing related parties for wholesale, retail distribution, and franchise networks allows for rapid market expansion with minimal investment, while maintaining control over the sales process. Leveraging related party services for warehousing, transportation, and logistics ensures cost-effective and efficient management of goods, particularly perishable items like cashews. Finally, transactions with affiliates, subsidiaries, and distributors strengthen the company's market position and coordination across the supply chain. All transactions will be conducted at arm's length, adhering to fair market value principles and complying with relevant tax and transfer pricing regulations.

12.	Any other information that may be relevant	None

Members may note that pursuant to the provisions of the Listing Regulations, all related parties of the Company (whether such related party is a party to the above-mentioned transactions or not) shall not vote to approve these Resolutions.

The Board recommends these Ordinary Resolutions for your approval.

ITEM NO. 5, 6 and 7:

During the year 2024-25, the standalone net profit for the year reflects a decline primarily due to a one-time exceptional write-off of ₹ 200 lakhs and intermediate buying due to facility expansion, the operational performance and revenue growth remained robust despite challenging factors. This has resulted in inadequate profits during the year 2024-25.

Since the Company has inadequate profits during the year 2024-25, the remuneration paid to the Managerial Personnel during the year 2024-25 shall be in accordance with the limits prescribed under Section II (A) of Part II of Schedule V of the Companies Act, 2013. As the Company has paid remuneration in excess of the limits specified under Section II(A) of Part II of Schedule V of the Companies Act, 2013, therefore, it is proposed to seek approval from the Members of the Company by way of Special Resolution for waiver of recovery of the excess remuneration paid to:

- (i) Mr. Hozefa Shabbir Husain Jawadwala (CEO, Chairperson & MD) for the period April 1, 2024 to March 31, 2025,
- (ii) Mr. Ashok Patel (CFO & WTD) for the period April 1, 2024 to March 31, 2025,
- (iii) Mr. Satyanarayan Patro (CCO & WTD) for the period August 28, 2024 to March 31, 2025.

The Company, as of date, is not in default in payment of dues to any bank or public financial institution or non-convertible debenture holders or any other secured creditor, and

accordingly, their prior approval is not required, for approval of the proposed special resolution/s. The Nomination and Remuneration Committee and the Board of Directors of the Company via respective resolutions passed on August 20, 2025, have recommended/approved waiver for recovery of excess remuneration paid during the year 2024-25 to the above-mentioned Managerial Personnel, subject to the approval of the Members by way of Special Resolution.

In terms of Section 197(10) of the Act, the Members of the Company can waive the recovery of excess remuneration paid to managerial personnel by way of passing a Special Resolution.

The disclosure required under Schedule V of the Act is mentioned in Annexure 1 to this Notice.

The Board of Directors recommends the Special Resolution(s) set out at Item nos. 4,5 and 6 of the Notice for approval of the Members.

Mr. Hozefa Shabbir Husain Jawadwala, Mr. Ashok Patel and Mr. Satyanarayan Patro are interested in the resolution/s set out at Item Nos. 4, 5 and 6 of the Notice respectively. Their relatives may also be deemed to be interested in the respective resolutions, to the extent of their shareholding interest, if any, in the Company. Save and except the above, none of the other Directors/Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions.

ITEM NO. 8, 9 & 10:

Mr. Hozefa Shabbir Husain Jawadwala has been appointed as a Chairperson and Managing Director of the Company for the period of 5 years from January 30, 2024, Mr. Ashok Patel has been appointed as a Whole Time Director of the Company for the period of 5 years from January 30, 2024 and Mr. Satyanarayan Patro has been appointed as a Whole Time Director of the Company for the period of 5 years from August 28, 2024 and term of payment of remuneration

was approved at the time of their appointment. Hence, the approval of the members is sought to approve remuneration payable to them as the revised remuneration for the financial years 2025-26 till 2027-28, the three years tenure of their existing appointment.

Looking to the responsibilities undertaken and contributions made by the aforesaid Directors viz., Mr. Hozefa Shabbir Husain Jawadwala (CEO, Chairperson & Managing Director), Mr. Ashok Patel (CFO & Whole Time Director) and Mr. Satyanarayan Patro (CCO & Whole Time Director) in development & growth of the Company and taking into consideration the expanded scale of operations, successful commissioning of Unit II, and trends of further enhanced and the overall increase in management responsibilities and such other qualities which they developed during the tenure of their respective offices, as recommended by Nomination and Remuneration Committee and approved by Audit Committee, the Board of Directors at their meeting held on March 31, 2025 made revision of remuneration to be paid from April 1, 2025 to March 31, 2028 on the following terms and conditions as stated below and further outlined in agreement to be executed with the Executive Directors and that all actions

and decisions taken by the Board in connection with payment of remuneration to managerial personnel for the financial year 2025-26 till 2027-28 are hereby approved, ratified and confirmed in all respects.

Pursuant to provision of section 197, Schedule V of the Companies Act, 2013 and Regulation 17 (6) (e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the revision in remuneration of Executive Directors require approval of shareholders by way of special resolution.

A combined statement containing therein information as required under Schedule V of the Companies Act, 2013 including abstract of the revised terms of remuneration is provided hereunder. Your Directors recommend the special resolutions at Item Nos. 7,8 & 9 for your approval.

Except, Mr. Hozefa Shabbir Husain Jawadwala, Mr. Ashok Patel & Mr. Satyanarayan Patro along with their relatives, none of the other Directors and Key Managerial Personnel and their relatives are concerned or interested in passing the aforementioned special resolutions.

OTHER INFORMATION:

Reasons of loss or inadequate profits, steps taken or proposed to be taken for improvement and expected increase in productivity and profits in measurable terms:

During the previous financial year, profit margins were impacted primarily due to intermediate trading purchases made during the transition period prior to the commissioning of Unit 2's processing machinery. Additionally, a one-time provision was

made against a long-outstanding receivable as a measure of financial prudence, despite a favourable court order. We are pleased to inform shareholders that the Company has resumed direct procurement of raw cashew nuts for processing, and with enhanced production capacity now operational, we are well-positioned to deliver stronger margins and improved returns going forward.

Form MR-3

{Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014}

To,
 The Members,
AELEA COMMODITIES LIMITED
 Office No. 21, 2nd Floor,
 Jolly Maker Chambers II,
 Nariman Point,
 Mumbai - 400021

I, CS Vikas Chomal, Practicing Company Secretary, have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **AELEA COMMODITIES LIMITED (CIN: L51909MH2018PLC316782)** (hereinafter called the 'Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2025 (hereinafter referred to as ("the audit period")) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner, and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31st March 2025 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the Rules made thereunder;

- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 *(Not applicable to the Company during the audit period);*
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; *(Not applicable to the Company during the audit period)*
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 *(Not applicable to the Company during the audit period)* and;
- i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India
- (ii) Listing Agreement entered with Stock Exchange

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. made thereunder.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test check basis, the Company has complied with the laws specifically applicable to the Company.

further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

MANAGEMENT DISCUSSIONS & ANALYSIS REPORT

INDUSTRY OVERVIEW

The global cashew industry continues to witness a positive growth trajectory, supported by rising health consciousness, demand for plant-based proteins, and the growing appeal of nuts in everyday consumption. Cashews, in particular, have carved a niche across the culinary, snacking, and confectionery industries due to their nutritional benefits and versatility. Leading cashew-producing nations, including Vietnam, India, and countries in Africa, are increasingly focused on enhancing value through integrated processing, quality control, and supply chain innovations. In this context, India holds a significant position as both a major processor and consumer of cashews. However, domestic raw cashew nut (RCN) production remains insufficient to meet rising demand, compelling Indian processors to depend heavily on imports, primarily from African nations such as Benin, Tanzania, Côte d'Ivoire, Burkina Faso, and Senegal. This dependency creates a dynamic and complex cross-border trade ecosystem that underscores the importance of supply chain agility and procurement discipline for players in the industry.

COMPANY OVERVIEW

Aeela Commodities Limited has positioned itself strategically within this evolving landscape by building a vertically integrated business model anchored in cashew processing and select commodity trading. The company's core operations focus on the end-to-end processing of RCN into high-quality cashew kernels, supplemented by limited trading activities in sugar and agro-based by-products. FY25 marked a transformational year for Aeela, with the commissioning of its enhanced processing facility at Surat. Spread across 1,09,000 square feet, the upgraded unit now boasts an installed capacity of 140 metric tonnes per day (TPD), a significant scale-up from previous levels. This milestone was further complemented by the company's successful listing on the BSE SME platform in July 2024, which not only enhanced corporate visibility and governance but also unlocked access to capital for long-term strategic investments. During the year, Aeela also acquired a 4,12,000+ square feet land parcel in Vasravi, Surat, which will house its upcoming Unit III. This land will support the company's clean energy and further processing ambitions, including a planned 4 MW renewable energy setup.

OPERATIONAL PERFORMANCE

Operationally, FY25 saw the completion of Phase I of Aeela's multi-stage expansion roadmap. The newly commissioned Unit II was fully operational by May 2025 and is on track to reach full utilization in the first quarter of FY26. The company anticipates approximately 240 working days annually, translating into a processing volume potential of nearly 27,000 metric tonnes per annum. Raw cashew procurement continues to be a critical activity, with the company leveraging its relationships with suppliers in Africa and employing a diversified procurement model that includes pre-shipment purchases, port-level buys, and spot purchases from intermediaries. While RCN prices saw volatility in the latter half of FY25, Aeela adopted a disciplined replacement model, ensuring that raw material procurement remained closely aligned with downstream sales. Processing efficiencies are expected to improve significantly with the adoption of automation and integrated operations, while the company has also begun investing in value-added innovations such as flavored cashews, vegan alternatives, and non-dairy indulgence products tailored to health-conscious consumers.

FINANCIAL PERFORMANCE

Financially, Aeela reported consolidated revenue of ₹182.14 crores for FY25, with an EBITDA of ₹183.84 crores and a net profit of ₹1.16 crore. EBITDA margins were impacted during the year due to a combination of elevated raw material costs, underutilization of capacity during the commissioning phase, and bad debts to the tune of ₹2 crores written off as precautionary measure. However, it is important to note that this amount is recoverable, as the court order favours our company. Despite these temporary headwinds, the company remains confident in its ability to restore margins to the 12-13% range as full operational capacity is achieved. Cashew processing contributed approximately 90% of total revenues, while the trading business, which includes sugar, accounted for the balance. The company has consciously phased out non-core commodities such as rice and other agro-products to concentrate on high-margin processing activities.

The matter relating to the long-outstanding receivable was deliberated in the meeting of the Board of Directors held on 31 March 2025, subject to concurrence from the Statutory Auditors. Based on the auditors' review during the course of

the audit and taking into consideration the time elapsed in recovery despite a favourable court order, the Board, in its meeting dated 29-05-2025, agreed to recognise the amount as not presently recoverable and give effect to the same in the financial statements for the year ended 31 March 2025. This accounting treatment has been made as a measure of prudence, without prejudice to the Company's legal rights to recover the amount in future

MARKETING AND DISTRIBUTION

On the distribution front, Aeela maintains a strong presence across both domestic and international markets. The company has established robust B2B relationships with reputed brands such as Haldiram, Amul, Bikanervala, Reliance Retail, Farmley, and many more. Exports remain an important strategic priority, with growing penetration in Southeast Asia and the Middle East. Aeela operates a hybrid distribution model, encompassing traditional wholesale, modern trade, and institutional buyers. The company is also exploring private-label tie-ups and plans to introduce its own branded line of value-added cashew products in FY26, focused on premium retail consumption.

RISK FACTORS AND MITIGATION

The nature of the agri-processing business presents several risks, which the company actively monitors and mitigates through robust internal systems. Key risks include RCN price volatility, which is addressed through real-time procurement alignment and working capital management; foreign exchange fluctuations, which are partly hedged through natural exposure alignment; and supply chain disruptions, particularly in cross-border logistics. Regulatory and environmental compliance continues to be a cornerstone of Aeela's operations, and the company is progressively adopting sustainable processing practices, with future plans to leverage by-products like cashew shells for biofuels and charcoal production.

COMPETITIVE LANDSCAPE

In terms of competitive positioning, Aeela remains a small yet rapidly growing player in a fragmented domestic industry that includes over 2,500 processors. While Vietnam continues to lead in automation and cost efficiencies, and African processors gain traction due to local raw material availability, Aeela's focus on vertical integration, quality control, and downstream product innovation sets it apart. The company's investments in biofuel production, value-added food products, and clean energy capacity are expected to create a differentiated value proposition in the years ahead.

CAPITAL EXPENDITURE AND INVESTMENTS

During FY 25, the Company incurred capital expenditure (capex) of approximately ₹42 crore to support the expansion of its production capabilities. This capex—primarily funded through IPO proceeds—was strategically directed towards strengthening infrastructure, enabling backward integration, and laying the groundwork for long-term scalability. Key deployments during the year included the commissioning of Unit II, acquisition of land for Unit III, and the initiation of procurement for plant and machinery to facilitate Cashew Nut Shell Liquid-based oil production.

Looking ahead, the Company plans to incur additional capex of approximately ₹12 crore in FY26 to complete Phase II of its ongoing expansion. This phase will involve the commissioning of Cashew Nut Shell Liquid oil extraction and processing facilities, which are expected to enhance operational efficiency, drive margin expansion, and improve supply chain integration.

OUTLOOK FOR FY 2025-26

Looking ahead to FY 26, the outlook for the cashew industry remains constructive, with increasing demand across health-conscious, vegan, and convenience-focused food categories. The festive and snacking demand in India is expected to remain strong, while global buyers continue to seek reliable, quality-focused supply partners. While short-term headwinds around RCN pricing and forex remain, Aeela is well placed to navigate these through disciplined execution and operational agility. Strategic priorities for the coming year include achieving full utilization at Unit II, completing Cashew Nut Shell Liquid-based biofuel operations under Phase II, and initiating development for Phase III focused on value-added biofuel, charcoal and cardanol. The company also aims to launch its branded cashew-based vegan product range, explore international private label opportunities, and deepen its presence in modern retail formats. All of these efforts are expected to consolidate Aeela's position as a value-accretive, innovation-led player in the global cashew ecosystem.

INDEPENDENT AUDITOR'S REPORT

To Aelea Commodities Limited

Report on the Audit of the Standalone financial statements

Opinion

We have audited the Standalone financial statements of Aelea Commodities Limited ("the Company"), which comprise the balance sheet as at 31st March 2025, the statement of Profit and Loss, the statement of cash flows for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone financial statements and our auditors' report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

INDEPENDENT AUDITOR'S REPORT

opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial

statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid Standalone financial statements comply with Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).
- On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025.
- from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses

“Annexure – B” referred to in the Independent Auditors’ Report

for the year ended March 31, 2025

Referred to in paragraph 2 (h) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of **Ae Lea Commodities Limited** for the year ended 31 March 2025.

Report on the Internal Financial Controls under clause (I) of sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Standalone financial statements of **Ae Lea Commodities Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management and Board of Director’s are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls which were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these Standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these Standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting with reference to these Standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these Standalone financial statements includes those policies and procedures that:

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone financial statements.

“Annexure – B” referred to in the Independent Auditors’ Report

for the year ended March 31, 2025

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Standalone financial statements

for the period ended 31 March 2025

1 Corporate information

Aelea Commodities Limited (the "Company") was incorporated in India on 05 November 2018 and having its registered office at Office No. 21, 2nd Floor, Jolly Maker C, Nariman Point, Mumbai, Maharashtra - 400021, IN. Subsequently, Company was converted into Public Limited Company vide special resolution passed by our shareholders at the Extra Ordinary General Meeting held on January 18, 2024 and the name of the company was changed to AELEA Commodities Limited pursuant to issuance of Fresh Certificate of Incorporation dated 28th February 2024 by Registrar of Companies, Mumbai, Maharashtra. The Corporate Identification Number of our company is L51909MH2018PLC316782 .

Company has started with the purpose of trading of agri-commodities. It started with Sugar and Bagasse in first year. In second year, Aelea expanded its trading operations to Cashew and pulses. Company started Cashew processing by outsourcing to other third-party processors and thereafter setup the manufacturing of Cashew processing.

2 Basis of preparation

The Standalone financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP), including the Companies (Accounting Standards), Rules, 2006 (as amended). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read with Companies (Accounts) Rules, 2014. The Standalone financial statements have been prepared on accrual basis and under the historical cost convention.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current/non-current classification of assets and liabilities. The financial statements are presented in Indian rupees, which is also the Company's functional currency.

2 Summary of significant accounting policies

a) Use of estimates

The preparation of Standalone financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Notes to Standalone financial statements

for the period ended 31 March 2025

c) Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

d) Depreciation on property, plant and equipment and intangibles

Depreciation is calculated using the Straight Line method over their estimated useful lives. The estimates of useful lives of tangible assets are as follows:

Description of asset	Useful life
Leasehold Land	
Building	60 Years
Office equipment	5 years
Computers	3 years
Electrical Installations	10 years
Furniture and fixtures	10 years
Plant and Machinery	15 years
Vehicles	8 years

Depreciation and amortisation on assets acquired / disposed of during the year is provided on pro-rata basis with reference to the date of acquisition / disposal.

e) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations are recognised in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its

Notes to Standalone financial statements

for the period ended 31 March 2025

recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

f) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts and indirect taxes.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below:-

Sale of goods

Sales are recognised when substantial risk and rewards of ownership are transferred to customer. Generally sales take place when goods are dispatched or delivery is handed over to transporter.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest.

Revenue in respect of other types of income is recognised when no significant uncertainty exists regarding realisation of such income.

g) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

h) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Notes to Standalone financial statements

for the period ended 31 March 2025

Treatment of exchange differences

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the statement of profit and loss.

i) Leases

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

j) Retirement benefits

As the employees during the year are below prescribed limit for applicability of the payment of gratuity act, provision for gratuity has not been made. Since the earned leave if any is paid as and when due, the provision for leave encashment is not made during the year.

k) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situation where the Company has unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Notes to Standalone financial statements

for the period ended 31 March 2025

(All amounts in Lakhs INR except otherwise stated)

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

l) Borrowing Cost

Borrowing cost includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

m) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

n) Provisions

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

o) Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

p) Derivative Contracts

Mark to Market loss if any in respect of derivative contracts is not recognised in books.

INDEPENDENT AUDITOR'S REPORT

To Aelea Commodities Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the Consolidated financial statements of Aelea Commodities Limited (hereinafter referred to as "the Company"), and its subsidiary company (together referred to as "the Group") which comprise the balance sheet as at 31st March 2025, the statement of Profit and Loss, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its are also responsible for overseeing the financial reporting process of the Group.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's and its subsidiary company ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its subsidiary to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of Subsidiary Company, whose financial statements reflect total assets of ₹ 2,189.94 Lakhs as at March 31, 2025, total revenues of ₹ 1,090.11 Lakhs and net cash flows amounting to ₹ -18.92 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these Subsidiary Company, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid Subsidiary Company, is based solely on the reports of the other auditors.

INDEPENDENT AUDITOR'S REPORT

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

“Annexure – A” referred to in the Independent Auditors’ Report

for the year ended March 31, 2025

Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of Ae Lea Commodities Limited (hereinafter referred to as “the Company”) for the year ended 31 March 2025.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Financial Statement of the Company as of and for the Year ended March 31, 2025, we have audited the internal financial Control over financial reporting of Ae Lea Commodities Limited, as of that date.

Management Responsibility for Internal financial Controls

The Board of Directors of the Company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor Responsibilities

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

“Annexure – A” referred to in the Independent Auditors’ Report

for the year ended March 31, 2025

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control

over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Consolidated financial statements

for the period ended 31 March 2025

1 Corporate information

Aelea Commodities Limited (the "Company") was incorporated in India on 05 November 2018 and having its registered office at Office No. 21, 2nd Floor, Jolly Maker C, Nariman Point, Mumbai, Maharashtra - 400021, IN. Subsequently, Company was converted into Public Limited Company vide special resolution passed by our shareholders at the Extra Ordinary General Meeting held on January 18, 2024 and the name of the company was changed to AELEA Commodities Limited pursuant to issuance of Fresh Certificate of Incorporation dated 28th February 2024 by Registrar of Companies, Mumbai, Maharashtra. The Corporate Identification Number of our company L51909MH2018PLC316782.

Company has started with the purpose of trading of agri-commodities. It started with Sugar and Bagasse in first year. In second year, Aelea expanded its trading operations to Cashew and pulses. Company started Cashew processing by outsourcing to other third-party processors and thereafter setup the manufacturing of Cashew processing.

2 Basis of preparation

The Consolidated financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP), including the Companies (Accounting Standards), Rules, 2006 (as amended). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read with Companies (Accounts) Rules, 2014. The Consolidated financial statements have been prepared on accrual basis and under the historical cost convention.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current/non-current classification of assets and liabilities. The financial statements are presented in Indian rupees, which is also the Company's functional currency.

2.1 Summary of significant accounting policies

a) Use of estimates

The preparation of Consolidated financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Property, plant and equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Notes to Consolidated financial statements

for the period ended 31 March 2025

c) Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

d) Depreciation on property, plant and equipment and intangibles

Depreciation is calculated using the Straight Line method over their estimated useful lives. The estimates of useful lives of tangible assets are as follows:

Description of asset	Useful life
Leasehold Land	
Building	60 Years
Office equipment	5 years
Computers	3 years
Electrical installations	10 years
Furniture and fixtures	10 years
Plant and Machinery	15 years
Vehicles	8 years

Depreciation and amortisation on assets acquired / disposed of during the year is provided on pro-rata basis with reference to the date of acquisition / disposal.

e) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations are recognised in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its

Notes to Consolidated financial statements

for the period ended 31 March 2025

recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

f) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts and indirect taxes.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below:-

Sale of goods

Sales are recognised when substantial risk and rewards of ownership are transferred to customer. Generally sales take place when goods are dispatched or delivery is handed over to transporter.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest.

Revenue in respect of other types of income is recognised when no significant uncertainty exists regarding realisation of such income.

g) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

h) Foreign currency transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Notes to Consolidated financial statements

for the period ended 31 March 2025

Treatment of exchange differences

Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the statement of profit and loss.

i) Leases

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

j) Retirement benefits

As the employees during the year are below prescribed limit for applicability of the payment of gratuity act, provision for gratuity has not been made. Since the earned leave if any is paid as and when due, the provision for leave encashment is not made during the year.

k) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situation where the Company has unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Notes to Consolidated financial statements

for the period ended 31 March 2025

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

l) Borrowing Cost

Borrowing cost includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

m) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

n) Provisions

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

o) Contingent liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

p) Derivative Contracts

Mark to Market loss if any in respect of derivative contracts is not recognised in books.
